

# Summitview Academy School COVID Re-Opening Plan

## Morning Entry

1. Symptom Screening at home by Summitview Staff prior to arrival
2. On Cohort of two houses containing no more than 6 students each report to school Tuesday-Thursday.
3. Staff complete self-screening forms that include contact tracing and temperatures at last twice daily.
  - a. Staff receives verbal confirmation on Symptom Screening and signs checklist
  - b. Temperature of student taken by staff with no touch thermometer
  - c. Hand Sanitizer is used by student
  - d. Mask's are used by students prior to entry into the van and remain on all day, except when eating.

## Classroom

1. Students work areas are separated by 6 feet
2. Primary classrooms are equipped with work area shields
3. All equipment is distributed by student with no multi use items
4. Personal equipment is kept at the work area in a container
5. Masks are worn at all times except when eating.
6. Windows are open when weather allows
7. Students will use a personal water bottle that may be refilled from water coolers.
8. No more than 10 people per classroom, including students and staff.

## Free Time

1. Students are to remain at their work areas and use personal free time options
2. Students are encouraged to be outside "in open air" whenever possible, weather permitting.

## Physical Education

1. P.E. periods will occur outdoors as weather permits. Students are encouraged to walk, exercise and play at a distance, when applicable.
2. Masks may be removed once outside as long as 6-foot distancing is observed with students that are  
not actively engaged in play.
3. Games that require contact such as tag will not be allowed for the foreseeable future.
4. Balls or equipment used must be cleaned daily.
5. Staff will remind students to maintain the 6-foot distance when practical.

## Summitview Academy School COVID Re-Opening Plan

6. Students will wash their hands or use sanitizer when returning to class.

### Lunch

1. Hand washing prior to eating will be required
2. Students will eat at 6-foot intervals at tables
3. Students will wash their own dishes one at a time

### Dismissal

1. Students will be dismissed by house.
2. Students will be escorted to the transport van by staff.
3. Masks must be worn until students return to the residential facility.
